# Go. Momentum in the workplace.

Go is freestanding and mobile, bringing flexibility to active workspaces and versatility to the workplace. Adaptable, attractive and effortless style, Go can stand alone as an independent workstation or can be linked with Cosmopolitan, Rev, Panelink or Metropolis.

## Features and Benefits

- Ganging mechanism joins tables together for teamwork or conferencing
- Modesty screens are available in either perforated metal or laminate and provide privacy when seated
- Electrics and communication available at worksurface level
- Mobile pedestals and storage units keep documents and personal belongings within reach
- Height-adjustable worksurfaces have four inches of variance and provide the ability to slide Go tables under the main worksurface when not in use
- All Go products are available in stationary or mobile solutions
- Mobile privacy screen has whiteboard on one side and tackboard on the other. An accessory bar is optional
